STATE OF CALIFORNIA
WORKERS' COMPENSATION APPEALS BOARD
DIVISION OF WORKERS' COMPENSATION

MELVIN GARCIA GALDAMES, *Applicant,* v. VINYL TECHNOLOGY, INC., SEDGWICK 14442 ORANGE, *Defendants,* *Mesa Pharmacy, Mesa Pharmacy, Inc., and Mesa Pharmacy Irvine, Lien Claimants*	Designated Case No(s): SAU9997873 **ORDER OF CONSOLIDATION, DESIGNATION OF MASTER FILE, AND NOTICE OF HEARING**

The undersigned Chief Judge of the Division of Workers' Compensation has become aware that there are currently proceedings pending in multiple individual workers' compensation cases, and in several different DWC District Offices, involving the same lien claimant, namely Mesa Pharmacy, Mesa Pharmacy, Inc., and Mesa Pharmacy Irvine (hereinafter "Mesa Pharmacy") and involving the same issues of fact and law, namely whether liens filed by lien claimant Mesa Pharmacy fall within the provisions of Labor Code 4615 such that a stay of the liens is required.

Section 10589 of title 8 of the California Code of Regulations provides for the consolidation of related cases when there are common issues of fact or law, to avoid duplicate or inconsistent orders, and for the efficient utilization of judicial resources. Section 10589 applies to cases in which the common issues of law or fact involve the same lien claimant, and consolidation of proceedings for purposes of adjudicating common issues involving the same lien claimant is a standard and usual procedure within the workers' compensation system. (See, e.g., Cal. Code Regs., tit. 8, § 10301, subd. (aa) [defining "Lien conference" under the Rules of Practice and Procedure as "a proceeding, including a proceeding following an order of consolidation, held in accordance with section 10770.1 for the purpose of assisting the parties in resolving disputed lien claims . . . ."], emphasis added.)

The undersigned finds and determines that there are common issues of fact and law in the identified cases concerning whether the liens of Mesa Pharmacy fall within the provisions of Labor Code section 4615 such that a stay of the liens is required. The factual and legal issues presented are complex, including with respect to the ownership and control of lien claimant Mesa Pharmacy, the

nature of the underlying criminal proceedings against John Garbino, and the alleged relationship between John Garbino and lien claimant Mesa Pharmacy.

It is further found that the consolidation of these matters herein pursuant to Section 10589 will provide a means for lien claimant to have an opportunity to be heard within the usual WCAB adjudication procedures and benefit the parties by avoiding duplicate or inconsistent orders on similar issues, and will further the efficient utilization of judicial resources.

Accordingly, pursuant to Section 10589, the liens of Mesa Pharmacy filed in those cases listed in Attachment "A" are ordered consolidated for purposes of the adjudication and resolution of the issue of whether the liens of Mesa Pharmacy fall within the provisions of Labor Code 4615 such that a stay of the liens is required. The purpose of the consolidation hearing is to prevent the erroneous application of Labor Code § 4615 and not for disputing whether a lien arises from the alleged conduct giving rise to the criminal charges, or for adjudication on the merits of any liens filed by Mesa Pharmacy.

The undersigned is further aware that several other cases involving Mesa Pharmacy have previously either been tried in various district offices and/or taken under submission. Lien claimant Mesa Pharmacy shall advise the assigned consolidation judge as to those cases no later than at the time of the first scheduled hearing. Those cases shall be excluded from this consolidation proceeding.

The above-captioned case is hereby ordered designated as the master file. The parties are ordered to use only the designated case number when referencing the consolidated matter.

Judge William Gunn at the Van Nuys district office is designated as the assigned judge for purposes of this consolidation. All documents regarding this consolidation shall be filed either by JET, e-filing or at the Van Nuys district office, unless otherwise ordered. If it is later determined that additional matters should be included in this consolidation an additional order shall issue.

This case is set for status conference on August 22, 2018 at 10:30 AM in front of Judge William Gunn: 6150 Van Nuys Blvd. Suite 215, Van Nuys, CA 91401-3370, (818) 901-5367.

///

At that time, Judge Gunn will confer with the parties concerning the identification of issues to be resolved, the evidence, and the procedures that will be followed in the consolidated proceeding. The parties will, and shall, have the opportunity in the consolidated proceeding to present all evidence, testimony, briefing and argument they would otherwise have had the right to present in any of the individual cases, according to usual WCAB adjudication procedures, regarding the applicability of the provisions of Section 4615.

Subject to the foregoing orders, assigned Judge Gunn shall have the authority to make all orders as necessary and appropriate in the consolidated proceeding.

Lien claimant Mesa Pharmacy is to give notice to all necessary parties of this order and the upcoming status conference.

IT IS SO ORDERED.

Chief Judge
