THE PEOPLE OF THE STATE OF CALIFORNIA, Plaintiff,	FELONY COMPLAINT REFILED 14ZF0334
vs.	No. OCDA WC11120004 OCDA WC14070007
ROBERT JULIAN VILLAPANIA DC 01/08/59 N5092039 Defendant(s)	

The Orange County District Attorney charges that in Orange County, California, the law was violated as follows:

COUNT 1: On or about and between September 09, 2009 and August 08, 2012, in violation of Section 550(a)(6) of the Penal Code (CONSPIRACY TO COMMIT MEDICAL INSURANCE FRAUD), a FELONY, ROBERT JULIAN VILLAPANIA DC did unlawfully conspire with KAREEM AHMED, AND OTHER UNKNOWN INDIVIDUALS, with the intent to defraud, to make a false and fraudulent claim to WORKERS COMPENSATION CARRIERS for payment of a health care benefit in an amount exceeding nine hundred fifty dollars ($950). It is further alleged that pursuant to and for the purpose of carrying out the objects and purposes of the conspiracy, one and more of the conspirators committed the following overt acts:

OVERT ACT 1

Robert Villapania, D.C. formed a professional corporation named Regional Associates Medical Group, and named Dr. Suchandra Turner, M.D. the Chief Executive Officer in 2009.

/
/
/

OVERT ACT 2

On September 9, 2009, on behalf of Regional Associates Medical Group, Dr. Suchandra Turner M.D. entered into an agreement with Kareem Ahmed and his companies: Physicians Funding Solutions LLC, to distribute transdermal compound creams to workers compensation patients treated at Regional Associates Medical Group.

OVERT ACT 3

Under the guise of selling accounts receivables to Physicians Funding Solutions and Healthcare Finance Regional Associates Medical Group received kickbacks to prescribe transdermal compound creams manufactured by Curt's Compounding Pharmacy in Orange County California.

OVERT ACT 4

Kareem Ahmed and his company Physician's Funding Solutions LLC agreed to pay Regional Associates Medical Group $50 (Fifty dollars) for each compound cream the medical staff distributed and prescribed to workers compensation patients treated at the clinic.

OVERT ACT 5

At Ahmed direction, Curt's Compounding Pharmacy provided the 3-day supply of the transdermal creams to the physicians who entered into a contract with Physicians Funding Solutions LLC so that the medical staff could hand the creams to the workers compensation patients and justify Regional Associates Medical Group's ability to bill insurance carriers and generate accounts receivables.

OVERT ACT 6

Physicians Funding Solutions LLC would only pay Regional Associates Medical Group for distribution of the transdermal compound creams manufactured by Curt's Compounding Pharmacy if the medical staff also prescribed a larger size of the transdermal creams to each patient which would then be directly shipped from Curt's Compounding Pharmacy in Orange County to each workers compensation patient.

OVERT ACT 7

Kareem Ahmed's Company, Physicians' Funding Solutions, paid Regional Associate Medical Group $50 (Fifty dollars) for each compound cream the medical staff distributed and prescribed to the workers compensation patients treated at the Clinic.

OVERT ACT 8

Robert Villapania, a chiropractor, instructed the medical staff to distribute and prescribe transdermal compound creams to workers compensation patients at his clinics regardless of medical necessity and in fact, instructed the medical assistance to distribute and prescribe transdermal compound creams under Dr. Brent Pratley, M.D.'s name without his knowledge.

OVERT ACT 9

Between 1/7/10 and 8/8/12, Kareem Ahmed paid Robert Villapania and Regional Associates Medical Group $1,089,730 in kickbacks for distributing and prescribing compound transdermal creams.

OVERT ACT 10

Physicians Funding Solutions issued at least one payment to Regional Associates Medical group, on 8/8/12 in the amount of $550.

OVERT ACT 11

At Robert Villapania's direction, Regional Associate Medical Group distributed thousands of transdermal compound creams manufactured by Curt's Compounding Pharmacy in Orange County to the workers compensation patients treated at his clinics regardless of medical necessity.
