- Other times: _____

HAZARD CORRECTION (Title 8 CCR §3203(a)(6))

Unsafe or unhealthy work conditions, practices or procedures will be corrected in a timely manner based on the severity of the hazards, including:

- When a hazard is observed or as soon as it is discovered.¹
- When an imminent hazard exists which cannot be immediately abated without endangering employee(s) and/or property, we will remove all exposed employees from the area except those necessary to correct the existing condition. Employees who are required to correct the hazardous condition will be provided with the necessary protection and training.¹

¹ This item is an activity that is required by Cal/OSHA for compliance with the IIPP standard.

We have plans/policies (which are attached) for addressing the following specific hazards we have identified in our workplace.

_____ (list of hazards, for example, chemicals, noise, workplace violence, etc.)

(plans for addressing these hazards are attached)

COMMUNICATION WITH EMPLOYEES ABOUT SAFETY (Title 8 CCR §3203(a)(3))

All supervisors are responsible for communicating with their employees about occupational health and safety hazards and protections in a manner that is easily understandable by all employees.

- We have a communication system that includes all of the following checked items:
 - New employee orientation including a discussion of safety and health policies and procedures and a review of our Injury and Illness Prevention Program.¹
 - A system for employees to anonymously inform management about workplace hazards without fear of reprisal.¹ This system involves: _____.
 - Posted or distributed safety information.¹
 - Regularly scheduled safety meetings. Our safety meetings are held on the following schedule: _____ Our safety meetings are held more frequently as deemed necessary by the creation of hazards or the occurrence of injuries and illnesses.
 - Other methods we use to ensure communication with and involvement of employees include: _____
 - Our workplace elects to use a labor/management health and safety committee to meet the communication requirements of the IIPP standard. As required, our committee meets regularly (at least quarterly), prepares written records of the safety and health committees' meetings, reviews results of the periodic scheduled inspections, reviews investigations of accidents and exposures and makes suggestions to management for the prevention of future incidents, reviews investigations of alleged hazardous conditions, and submits recommendations to assist in the evaluation of employee safety suggestions.
