18-12345

PVERA Database

A18-012345

Duplicate Stamping

18-123450

add 1 zero

PVERA Database

A18-123450

- Numbers not in State Database will be accepted in old format as long as Year Built is the same or prior to the year code. Example -48 should be 1948 or prior.
- Old format numbers must have year built 2017 or prior. For example: old format numbers with -18 cannot be built in 2018.
- New format numbers can be any year built.
- Questions?

Permit Fee  
Increase

# PERMIT FEE INCREASE

- Raising cost of permit from \$15 each to \$45.
- Hope to implement for any report submitted after November 31, 2017.
- November monthly permit invoice would be at \$15 per permit.
- December monthly invoice will be at \$45.
- Still no charge for governmental inspections.
