STATE OF CALIFORNIA**

RANDAL RAGSAC, *Applicant*

vs.

**COUNTY OF MONTEREY, permissibly self-insured, administered by
INTERCARE HOLDING SERVICES, INC., *Defendants***

**Adjudication Number: ADJ12672258
Salinas District Office**

**OPINION AND DECISION
AFTER RECONSIDERATION**

We granted reconsideration in this matter to further study the factual and legal issues presented. This is our Opinion and Decision After Reconsideration.

I.

Applicant, Randal Ragsac, petitioned for reconsideration of the Findings and Award issued by the workers' compensation administrative law judge (WCJ) in this matter on December 2, 2021. In that decision, the WCJ found that applicant, sustained injury to his heart and circulatory system arising out of and in the course of his employment as a correctional sergeant during the period June 1987 through June 17, 2016, by defendant, County of Monterey, then permissibly self-insured for workers' compensation liability. The WCJ also found that the injury caused need of further medical treatment and permanent partial disability of 69%.

Applicant contends in his petition for reconsideration that the WCJ erred in not finding that the injury caused permanent partial disability of 83%.

Defendant filed an answer contending that the petition for reconsideration should be denied.

The WCJ issued a report in which she recommended that the petition for reconsideration be denied.

Subsequently, at our request the parties participated in a commissioners' settlement conference and agreed to resolve this matter by compromise and release.

The executed Compromise and Release was filed on June 14, 2022. The amount of the settlement is \$375,000, less credit to defendant for permanent disability indemnity paid of \$38,031.43 and less an attorneys' fee of \$56,250, leaving a balance of \$280,718.57 payable to applicant in a lump sum. The Compromise and Release also provides that defendant will pay, adjust or litigate liens of record.

II.

Labor Code section 5001 states in pertinent part that “[n]o release of liability or compromise agreement is valid unless it is approved by appeals board or referee.”

WCAB Rule 10700 states that:

“The Workers’ Compensation Appeals Board shall inquire into the adequacy of all compromise and release agreements and stipulations with request for award, and may set the matter for hearing to take evidence when necessary to determine whether the agreement should be approved or disapproved, or issue findings and awards.” (Cal. Code Regs., tit. 8, § 10700.)

Labor Code section 5002 states that:

“A copy of the release or compromise agreement signed by both parties shall forthwith be filed with the appeals board. Upon filing with and approval by the appeals board, it may, without notice, of its own motion or on the application of either party, enter its award based upon the release or compromise agreement.”

After considering the Compromise and Release in light of the entire record, we conclude that the settlement amount is adequate and that the agreement is in the best interest of applicant. We have considered that any potential right to death benefits is being released. We also conclude that the attorneys' fee requested is reasonable and should be allowed.

Therefore, we will rescind the Findings and Award issued by WCJ on December 2, 2021, and approve the Compromise and Release.

Finally, we commend the parties for engaging in good faith negotiations and successfully resolving this matter without the need for further litigation.

For the foregoing reasons,

IT IS ORDERED as the Decision After Reconsideration of the Workers' Compensation Appeals Board that the Findings and Award issued on December 2, 2021, be **RESCINDED**.

IT IS FURTHER ORDERED that the Compromise and Release filed on June 14 2022, be **APPROVED**.

AWARD IS MADE in favor of **RANDAL RAGSAC** against the **COUNTY OF MONTEREY, permissibly self-insured**, as specified in the Compromise and Release.
