

## CHSWC Mandated Reports and Other Studies Status for 2026

This report provides an update on the status at quarterly intervals for current mandated reports and other studies that the Commission on Health and Safety and Workers' Compensation (CHSWC) staff are responsible to provide as determined by the legislature or CHSWC Commission. The color coding represents the current status for projecting completion by the established deadline.

Color Codes	Green	Yellow	Red
Status	On track	May not be able to meet goal	Target date is delayed

Title	Legislative Section/Reference	Status	Q1	Q2	Q3	Q4
<b>CHSWC Annual Report</b>	Per Labor Code Section 77(a) "The commission shall issue an annual report on the state of the workers' compensation system, including recommendations for administrative or legislative modifications which would improve the operation of the system. The report shall be made available to the Governor, the Legislature, and the public on request."	<ul style="list-style-type: none"> <li>• 2025 annual report production kicked off in early May.</li> <li>• Data requests were sent to various entities within Department of Industrial Relations (DIR) and to outside partners and DIR divisions.</li> <li>• DIR divisions and external entities are providing data and information for the 2025 annual report.</li> <li>• Staff have incorporated the data and information received into the report and have been working on assigned sections of the draft report.</li> <li>• Staff presented the draft report for the Commissioners' approval at the December 11, 2025 CHSWC public meeting and CHSWC Commissioners approved posting the draft for the 30-day public comment period after the report has been updated with the final numbers.</li> <li>• Staff worked to incorporate remaining data into the 2025 CHSWC Annual Report during the first quarter of 2026 and posted the draft for the 30-day public comment on the CHSWC website.</li> <li>• Staff incorporated public comments received during the public comment period and will present the report for Commissioners' final approval at the June 26, 2026 CHSWC public meeting.</li> </ul>

<b>DIR/DWC Utilization Review Study (Cont.)</b>	<p>and report on the impact of provision of medical treatment within the first 30 days after a claim is filed.</p> <ul style="list-style-type: none"> <li>• The study will evaluate if workers who receive prompt unrestricted treatment in the first 30 days returned to work faster. <ul style="list-style-type: none"> <li>○ Did early treatment reduce the duration of temporary disability?</li> <li>○ Did early treatment lead to better long-term functional recovery and less permanent disability?</li> </ul> </li> <li>• Was the treatment provided in the first 30 days consistent with the MTUS?</li> <li>• Were there patterns of inappropriate or unnecessary treatment being rendered without UR oversight?</li> </ul>					
<b>DIR/DWC QME Study</b>	<ul style="list-style-type: none"> <li>• The main objective of the study is to evaluate the efficacy of California’s Medical-Legal Evaluation Process (Medical-Legal Process) which is used to resolve disputes regarding an injured worker’s entitlement to compensation benefits.</li> <li>• The study results will help inform future decisions about the program.</li> <li>• The study will review data concerning the Medical-Legal</li> </ul>	<ul style="list-style-type: none"> <li>• DWC issued an RFP on February 20, 2024 to solicit proposals from contractors to conduct the study and the contract for the study was awarded to RAND.</li> <li>• The study report titled <a href="#">Qualified Medical Evaluators and the Medical-Legal Process in California Workers’ Compensation</a> was completed in May 2026 and is available at: <a href="https://www.rand.org/pubs/research_reports/RRA4655-1.html">https://www.rand.org/pubs/research_reports/RRA4655-1.html</a></li> </ul> <p><b><u>Status: Complete</u></b></p>				

Title	Legislative Section/Reference	Status	Q1	Q2	Q3	Q4
<b>DIR/DWC QME Study (Cont.)</b>	Process and respond to three overarching questions: 1. Does the current Medical-Legal Process satisfy the purpose of the systems as it was initially envisioned by the Legislature? 2. Is the Medical-Legal Process, as it currently stands, sustainable? 3. In what ways can the Medical-Legal Process be improved?
