| FATALITY           Any person who makes or causes to be made any<br>knowingly false or fraudulent material statement or<br>material representation for the purpose of obtaining or<br>denying workers compensation benefits or payments is<br>guilty of a felony.         California law requires employers to report within five days of knowledge every occupational injury or illness which results in lost time beyond the<br>date of the incident OR requires medical treatment beyond first aid. If an employee subsequently dies as a result of a previously reported injury or<br>illness, the employer must file within five days of knowledge an amended report indicating death. In addition, every serious injury, illness, or death<br>must be reported immediately by telephone or telegraph to the nearest office of the California Division of Occupational Safety and Health. |  |                    |   |  |  |  | eyond the<br>ed injury or<br>ess, or death |  |
