* Valid codes under separate attachment						
** Only provided for reschedule. Cancellations will show hearing info in Elements 8, 9 and 10.						
NOTE: The EAMS Reference Number will be provided instead of the SSN. The SSN has been removed from From this transaction set and will no longer be provided in the 009 transaction.						
NOTE: EAMS ADJ Case Number is the primary ADJ Case Number. It replaces the DWC Legacy Case Number						
NOTE: The DWC Legacy Case Number, when available, will be provided in space carved out of the former Hearing Comment 1 field. The remaining 50 bytes of filler will be spaces.
