Hearing Request
Legal Unit,
Division of Workers' Compensation
1515 Clay Street, Suite 1800
Oakland, CA 94612

Dear Mr. Parisotto:

This letter shall serve as a written request for a hearing on the suspension of my workers' compensation provider privileges. The notice advising me of the suspension was dated February 22, 2017, and this letter is being sent within ten days of that date. Proof of service is attached.

My current mailing address is set forth above.

The proposed suspension is not valid because:

- (1) My conviction some 11 years ago was not for fraud or abuse of the Medicare or Medi-Cal systems.
- (2) My suspension from the Medicare and Medi-Cal systems was not due to fraud or abuse.
- (3) The action of the Division would amount to a retroactive penalty based on events more than ten years ago, at which time I was not fully advised of the consequences of my plea. The retroactive application of the suspension provision violates my rights under the Due Process clause of the Fifth Amendment to the Constitution of the United States, and under Article 1, Section a, of the California Constitution.

Respectfully submitted,

Thomas M. Heric, M.D., Ph.D.
