REQUEST FOR HEARING

Dear Mr. Parisotto,

I, David Ming Pon, M.D., have received the Notice of Provider Suspension - Workers' Compensation dated Sept. 29, 2017. I am responding within the 10 calendar days as required to request a hearing. I hereby request a hearing.

My current mailing address is: David Ming Pon, M.D.
FCI - Camp, Unit F
P.O. Box 699
Estill, SC 29918

I do not believe Labor Code Section 139.21(a)(1) is applicable to me because of the following:

Through my legal counsel at Winston and Strawn, LLP, of the Washington DC offices, we filed timely notices of appeal of said conviction to the 11th Circuit Court of Appeals. This direct appeal is now

pending, but I fully expect to be exonerated, the judgement to be vacated, and the conviction to be reversed so that I will not have any conviction whatsoever. The licensing issues as well as suspension from the Federal Medicare or Medicaid will also be resolved as a result.

I am currently incarcerated and therefore unable to attend the hearing within 30 days unless the appeals' process finishes sooner than that time frame. Also, as a result of being incarcerated, I am unable to access any of the websites referred to in your letter of Sept. 29, 2017 regarding proof of service or suspension procedure since the BOP here at Estill, SC does not permit access to the web or computer use.

If I was physically able to attend the hearing, I would present the above information. I respectfully request that the Division of Workers' Compensation abate any further action until my appeals' process is fully exhausted.

I request that the Division of Workers' Compensation award such other and further relief as is just and equitable under the circumstances.

Respectfully,

DAVID MING PON, M.D.
