Dear Mr. Griffiths:

In accordance with the provisions of Title 8, California Code Regulations, section 16425, approval of Fort Bragg Unified School District's Labor Compliance Program (LCP) is hereby granted, effective as of March 9, 2011. This approval is limited to compliance monitoring and enforcement on Fort Bragg Unified School District's *own* public works projects and applies to any type of public works project undertaken by Fort Bragg Unified School District. It is not necessary to have separate approvals for different types of projects. However, to provide LCP services to other awarding bodies, an LCP *must be approved* as a third party program pursuant to section 16426 of the regulations.
