Central Valley Residential Rate Survey

March 17, 2010, Wednesday, San Francisco, 9:30 a.m.

March 18, 2010, Thursday, Fresno, 10 a.m.

Important Prevailing Wage Survey Approved by the Legislature

The meetings are designed to be an open forum to answer questions, address concerns and to develop steps necessary to implement a residential prevailing wage rate survey as approved by the legislature.

The forums are open to members of the public, unions, employers, contractors, employer associations, and other stakeholders and will provide participants the opportunity to ask questions and provide suggestions regarding the survey process.

This process will assist the Division of Labor Statistics and Research in determining an accurate and impartial residential prevailing wage rate.

Important Topics

- Prevailing Wage Determination Process
- Understanding key definitions (Modal Rate, Peak Employment Date, and more)
- Defining Classifications, Residential Construction
