payment of wages from the reporting point, as ordered by the Employer, to the jobsite and from job to job and return. However, employees who voluntarily report to a point for free transportation to the jobsite will not be compensated from the time en route and return. For offshore work, employees will receive travel pay at straight-time rates from port of embarkation to jobsite and from jobsite to debarkation regardless of mode of transportation, which transportation shall be at the Employer's expense. If no camp is furnished by the Employer, such transportation shall be furnished daily.

G. Workmen referred to the Employer's job who arrive in an unfit condition for work, without a written dispatch slip from the employment facility, without the proper documentation as set forth on INS I-9 Form, or who are not ready to go to work or who are not otherwise qualified in accordance with their written dispatch slip from the employment facility shall not be paid show-up time or subsistence. Grievances or disputes arising out of the interpretation or application of this particular paragraph shall be referred to the procedure for settlement of grievances and disputes.

**SECTION 22  
TRANSPORTATION**

Employees shall travel to and from work on their own time and by means of their own transportation. The Employer shall not be responsible for toll expenses.

**SECTION 23  
PARKING**

In the event free parking facilities are not available within three hundred and fifty (350) yards of a jobsite, the Employer will provide such facilities and shall have the right to designate parking areas to be used. Where, because of congested parking conditions, it is necessary to use public facilities, the Employer shall reimburse the employee for the cost, up to a maximum of \$8.00 per day, of such parking upon being presented with a receipt or voucher certifying to the cost thereof, such reimbursement to be made on a weekly basis or at the conclusion of the project, whichever occurs earlier. Designated parking areas shall be reasonably level and graded to drain.
