# SUMMARY OF IMPORTANT NOTICES CONCERNING BURGLAR ALARM AND FIRE ALARM INSTALLATION

Dear Public Officials/Other Interested Parties:

The Department has issued several important notices between June 27, 2002, and June 29, 2015, specifying the prevailing rate of pay for the installation of burglar and fire alarms. The tables on the following two pages provide a summary of the applicable rates of pay for burglar and fire alarm installation by county as of September 1, 2015. The information in these tables summarizes but **does not** alter the applicable rates of pay issued in the aforementioned important notices.

Please note that minimum rate of pay determinations are issued on a "project-by-project basis." If you have a public works project in one of the counties listed in the tables that indicates "project-by-project basis," you may request a minimum rate of pay determination prior to the bid advertisement date of the project by sending a written request to the address below. Each request should include all the relevant documents that would assist the Department in issuing a determination. These documents include but are not limited to the contract, financial documents, plans, specifications, as well as contact information for the Awarding Body.

Please refer to the county determinations to find the rates associated with the craft(s)/classification(s) referenced in the tables. The scope of work for each classification is posted on the Internet at http://www.dir.ca.gov/oprl/DPreWageDetermination.htm. This information may also be requested from the Office of the Director – Research Unit by calling (415) 703-4774, by faxing a request to (415) 703-4771 or by writing to:

#### AGREEMENT

Agreement by and between the Crater Lake Division, Oregon Pacific-Cascade Chapter, National Electrical Contractors Association and Local Union No. 659, International Brotherhood of Electrical Workers.

It shall apply to all firms who sign a Letter of Assent to be bound by the terms of this Agreement.

As used hereinafter in the Agreement, the term "Association" shall mean the Crater Lake Division, Oregon Pacific-Cascade Chapter, National Electrical Contractors Association, and the term "Union" shall mean Local Union No. 659, International Brotherhood of Electrical Workers.

The term "Employer" shall mean an individual firm who has been recognized by an Assent to this Agreement.

#### BASIC PRINCIPLES

The Employer and the Union have a common and sympathetic interest in the electrical industry. Therefore, a working system and harmonious relations are necessary to improve the relationship between the Employer, the Union and the public. Progress in industry demands a mutuality of confidence between the Employer and the Union. All will benefit by continuous peace and by adjusting any differences by rational, common sense methods. Now, hereinafter, by and in consideration of the mutual promises and agreements herein contained, the parties hereto agree as follows:

#### ARTICLE I

#### AMENDMENTS - DISPUTES - DATE - TERMINATION

- I-1. This Agreement shall take effect January 1, 2012, and shall remain in effect until December 31, 2013 unless otherwise specifically provided for herein. It shall continue in effect from year to year thereafter, from January 1 through December 31 of each year, unless changed or terminated in the way later provided herein.
- I-2. (a) Either party or an Employer withdrawing representation from the Chapter or not represented by the Chapter, desiring to change or terminate this Agreement must provide written notification at least 90 days prior to the expiration date of the Agreement or any anniversary date occurring thereafter.
- (b) Whenever notice is given for changes, the nature of the changes desired must be specified in the notice, or no later than the first negotiating meeting unless mutually agreed otherwise.

## III-9. <u>Cable Splicer:</u>

A Journeyman Wireman when cable splicing shall be paid journeyman wireman rate for work while splicing or terminating cable. When splicing electrical lead-covered cable, the wireman shall have the knowledge and be capable of conducting work, without supervision, involving the practical application of connecting, joining or splicing together and including the wiping of a single or multiple conductor lead-covered cable.

### III-10. Tunnel Work:

All work defined as that work performed in construction (blasting or drilling) of a subterranean passageway for a road, railroad or canal, wages shall be paid at one hundred ten percent (110%) of the applicable rate.

III-26. Workmen employed under terms of this Agreement shall do all electrical and electronic construction, installation, erection work, instrumentation work, radiation monitoring, and all electrical maintenance thereon, including the connecting, mounting of all fixtures, appliances, motors, equipment, electronic devices, electronic systems, communications systems with all related control wiring and devices, including final running tests. This work also shall include such work as welding, burning, brazing, bending, drilling, shaping and threading of all conduits, copper, silver, aluminum, channel iron, angle irons, "I" beams, and brackets to be used in connection with the installation of electrical wiring or equipment where such work is done on the job site, the installation and maintenance of temporary wiring and the installation and maintenance of all electrical lighting, heating and power equipment. The moving and handling and placing of all electrical equipment shall be done by or under the supervision of employees hired under terms of this Agreement.

There shall be no restriction covered by this Agreement on the installation of any materials or equipment that are listed as a stock item in the electrical industry catalogs or price lists and furnished as a manufactured product.

### ARTICLE VII

#### CODE OF EXCELLENCE

The parties to this Agreement recognize that to meet the needs of our customers, both employer and employee must meet the highest levels of performance, professionalism, and productivity. The Code of Excellence has proven to be a vital element in meeting the customers' expectations. Therefore each IBEW local union and NECA chapter shall implement a Code of Excellence Program. The program shall include minimum standards as designed by the IBEW and NECA.

#### SEPARABILITY CLAUSE

Should any provision of this Agreement be declared illegal by any court of competent jurisdiction, such provisions shall immediately become null and void, leaving the remainder of the Agreement in full force and effect and the parties shall, thereupon, seek to negotiate substitute provisions which are in conformity with the applicable laws.
