**SUMMARY OF IMPORTANT NOTICES CONCERNING BURGLAR ALARM AND FIRE  
ALARM INSTALLATION**

Dear Public Officials/Other Interested Parties:

The Department has issued several important notices between June 27, 2002, and October 27, 2015, specifying the prevailing rate of pay for the installation of burglar and fire alarms. The tables on the following two pages provide a summary of the applicable rates of pay for burglar and fire alarm installation by county as of September 23, 2016. The information in these tables summarizes but **does not** alter the applicable rates of pay issued in the aforementioned important notices.

Please note that minimum rate of pay determinations are issued on a “project-by-project basis.” If you have a public works project in one of the counties listed in the tables that indicates “project-by-project basis,” you may request a minimum rate of pay determination prior to the bid advertisement date of the project by sending a written request to the address below. Each request should include all the relevant documents that would assist the Department in issuing a determination. These documents include but are not limited to the contract, financial documents, plans, specifications, as well as contact information for the Awarding Body.

Please refer to the county determinations to find the rates associated with the craft(s)/classification(s) referenced in the tables. The scope of work for each classification is posted on the Internet at <http://www.dir.ca.gov/oprl/DPreWageDetermination.htm>. This information may also be requested from the Office of the Director – Research Unit by calling (415) 703-4774, by faxing a request to (415) 703-4771 or by writing to:

California Department of Industrial Relations

**2014 NECA-IBEW NEGOTIATIONS**

Office of the Director-Research

**SETTLEMENT AGREEMENT**

**INSIDE/OILFIELD AGREEMENTS**

The undersigned have reached tentative agreement on terms and conditions to effect a successor agreement to the NECA-IBEW 2012-2014 Inside and Oilfield Agreements and have tentatively agreed to the following changes to those Agreements, contingent upon ratification of the membership of Local 428. If rejected by the membership, the parties agree to mutually submit all matters herein to the next meeting of the CIR.

Sec. 1.01 Amend to provide for a three year agreement as follows:

**EFFECTIVE DATE:** This Agreement shall take effect December 1, 2014, and shall remain in effect through November 30, 2017, unless otherwise specifically provided for herein. It shall continue in effect from year to year thereafter, from December 1 through November 30 of each year, unless changed or terminated in the way later provided herein.

**Sec. 3.16. SCOPE OF WORK:**

(a) The replacing, extending, modification of existing facilities, and the installation of new facilities is the work of the Construction Electrician.

(b) Workers employed under the terms of this Agreement shall do all electrical construction, all installation of electrical and electronic work and all electrical maintenance thereon, on all electrical work under the jurisdiction of Local #428, I.B.E.W., as determined by the International President of the I.B.E.W. This shall include the setting, processing, welding, cutting, burning, brazing, handling and moving of all electrical materials, electrical equipment, electrical apparatus and the making of the final running test and the installation of all underground raceways. This shall also include the installation and maintenance of all temporary power and light wiring. It shall furthermore include radiation monitoring, the installation of all public address equipment, communication equipment other than for public utilities, electronic equipment, telemetering equipment, or any other electrical instrumental equipment, with the installation of all related wiring, control wiring, fixtures, instruments and devices. It shall include the installation of all external raceways or wiring of fixtures or electrical equipment and the chasing and channeling necessary to complete the electrical installation work. All conduit shall be cut, threaded, field wrapped and bent, other than six inch (6") and less nipples and factory ninety (90) degree bends, by workers employed under the terms of this Agreement and when pipe threading machines are used, such shall be operated by these workers.

(c) Sound work, public address work, background work, radio and TV installation in the jurisdiction of Local #428, regardless of voltage or wattage, come also under the scope of this Agreement, at the Journeyman Wireman rate of pay, while on Building and Construction Trades jobs.

**Sec. 3.17.** The Employer shall notify the Union when he has knowledge that a portion of the electrical work, defined in this Agreement, is not included in the work he is to perform.

**Sec. 3.18. CABLE SPLICING:**

All work of joining, splicing and insulating; the placing of flame-proof covering and the installation of potheads shall be performed by Cable Splicers.
