NOV 16 2013  
Office of the Director-Research

**Agreement between the Insulators and Allied Workers  
Local 16**

**and the**

**Western Insulation Contractors Association  
Northern California Chapter, Inc.**

THIS AGREEMENT, made and entered into this 1st day of August 2013, by and between the INTERNATIONAL ASSOCIATION OF HEAT AND FROST INSULATORS and ALLIED WORKERS LOCAL 16, hereinafter referred to as the Union, and the WESTERN INSULATION CONTRACTORS ASSOCIATION, NORTHERN CALIFORNIA CHAPTER, INC., hereinafter referred to as the Association, for and on behalf of the Individual Insulation Contractors who are its members and have authorized it to represent them, and such other Individual Insulation Contractors as may become signatory to this Agreement or any counterpart thereof, which Individual Insulation Contractors are hereinafter referred to as Individual Employers.

**ARTICLE VI**  
**Work Covered**

62. The Association and the Individual Employers, parties hereto, recognize the Union as the duly authorized, sole and exclusive Collective Bargaining Representative under Section 9(a) of the National Labor Relations Act of all employees employed by the Individual Employers who perform work covered by this Agreement, on all present and future job sites within the jurisdiction of the Union, on the following basis: The Union has requested that each Individual Employer recognize the Union as the Section 9(a) representative of its employees; the Union has offered to submit to each Individual Employer, directly or through its bargaining representative, evidence that the Union has the support of a majority of the Individual Employer's employees; and the Individual Employer acknowledges and agrees that a majority of its employees have authorized the Union to represent them in collective bargaining.
  
63. Local 16 shall have a permanent office address with telephone service where their Business Agent or authorized officer can be communicated with between 7:30 a.m. and 3:00 p.m. each working day for the purpose of answering inquires and providing the necessary service to the trade.

64. This Agreement shall cover all work falling within the recognized craft jurisdiction of Local 16, including without limitation of the foregoing:
65. Lining of all mechanical room surfaces and air handling shafts.
66. The filling and damming of fire stops and penetrations including, but not limited to, electrical and mechanical systems.
67. All foam applications for the purpose of thermal, acoustical, or fire protective purposes, including RTV foams or equivalents, applied to mechanical or electrical systems.
68. All duct lining, and duct wrapping, done on the job site, direct application and installation of fire protection of grease ducts, exhaust systems, or any other ductwork for acoustical or thermal purposes.
69. The insulation of all field joints on pre-insulated underground piping, and the pouring of Gilsilite or its equivalent.
70. Any finish material which is contiguous to the thermal or acoustical application.
71. The preparation, distribution of materials on job sites, assembling, molding, spraying, pouring, mixing, hanging, adjusting, repairing, dismantling, reconditioning, maintaining, finishing, and weather proofing of hot or cold thermal or acoustical insulation with such materials as may be specified.
72. The application of any material, including metal and PVC jacketing, Alumaguard or equivalent, on piping, fittings, valves, flanges, boilers, ducts, plenums, flues, tanks, vats, equipment and any other hot or cold surface for the purpose of thermal control.
73. The Agreement shall cover all other work of a specialty nature, covered by the jurisdiction of Local 16 or the International Union.
74. All such work of the Individual Employer which has normally and traditionally been performed at the job site by the employees covered by this Agreement shall continue to be performed at the job site by the employees covered by the Agreement. The Individual Employer may, however, bring in for installation at the job site, materials not so fabricated which have been fabricated elsewhere provided no employee may be required to install such materials if fabricated under conditions less favorable to employees than those provided under this Agreement.

75. None of the work covered by this Agreement, which is to be performed at the site of construction, alteration, painting or repair of any building, structure or other work, shall be subcontracted by any Individual Employer except to an Individual Employer who is included within the multi-Employer collective bargaining unit covered hereby, or is otherwise party to this Agreement or any counterpart thereof.
76. This provision shall be enforced only when both of the following criteria are satisfied: (1) when such enforcement is necessary to protect and preserve to the employees in the aforesaid multi-Employer collective bargaining unit all of the work normally and traditionally performed by them and for no other cause. (2) For any specialty work under Local 16's jurisdiction, for which said Union cannot provide an Employer signatory to Local 16 the provisions of this Section shall not apply.
77. All disputes over the jurisdiction of the work covered by this Agreement, if not satisfactorily settled, shall be referred to the Plan for Settling of Jurisdictional Disputes in the Construction Industry or such other tribunal as may become successor thereto. The Individual Employers and the Union agree to be bound by all of terms and provisions of the Plan for Settlement of Jurisdictional Disputes and by the procedural rules and regulations of the National Joint Board, or by the provisions of any plan successor thereto which may be adopted by the Building and Construction Trades Department, AFL-CIO.
