ARTICLE 2

SCOPE OF WORK

1. The Scope of Work covered by this Agreement shall include (but not be limited to) all work operations after the initial unloading of the drywall material on the job site, including distribution to the point of application.
2. Work or services pertaining to the preparation, spotting, pointing, detailing, taping, flushing, sanding, finishing and installation of interior and/or exterior gypsum, drywall, thin wall, concrete, steel, wood and plaster surfaces.
3. Work or services pertaining to the application of all finish or flushing materials regardless of method of application or type of surface on which materials are applied, including but not limited to texture and simulated acoustic materials of all types and the application of radiant heat fill, steel fireproofing materials and trowel coat.
4. Work or services pertaining to the installation of protective coverings and masking prior to the application of finish materials.
5. The operation and care of all taping tools and texturing equipment used in the finishing and texturing of drywall and other surfaces including brushes, rollers, spray texturing equipment, miscellaneous hand mechanical and power tools, and the operation and maintenance of compressors required in the finishing and texturing of such surfaces.
6. No limitation shall be placed on the work covered by this Agreement by reason of the surface, type of material or purpose for which the materials used are designed or intended.
7. Nothing herein is intended to conflict with or violate any State or Federal Law.
8. It is not the intent of the parties signatory to this Agreement to assume jurisdiction over any work not officially granted to the Unions of the International Union of Painters and Allied Trades (IUPAT), but to protect the work of Signatory Employers and of the International Union of Painters and Allied Trades (IUPAT).
9. The clean up of all materials and debris occasioned by any job operation at the site of construction, alternation, or repair undertaken by the Employer signatory hereto, whether such operations occur on the interior or exterior of a building structure.
