MATERIAL HANDLER AGREEMENT

IBEW LOCAL 332

Agreement by and between the Santa Clara Valley Chapter, NECA and Local Union No. 332, IBEW. It shall apply to all firms who sign a Letter of Assent to be bound by this Agreement. As used hereinafter in this Agreement, the term "Employer" shall mean Santa Clara Valley Chapter, NECA and the term "Union" shall mean Local Union 332, IBEW. The term "Employer" shall mean an individual firm who has been recognized by an assent to this Agreement.

BASIC PRINCIPLES

The Employer and the Union have a common and sympathetic interest in the Electrical Industry. Therefore, a working system and harmonious relations are necessary to improve the relationship between the Employer, the Union, and the Public. Progress in industry demands a mutuality of confidence between the Employer and the Union. All will benefit by continuous peace and by adjusting any difference by rational, common sense methods. Now, therefore, in consideration of the mutual promises and Agreements herein contained, the parties hereto agree as follows:

ARTICLE I

Effective Date - Changes - Grievances - Disputes

Section 1.01 This Agreement shall take effect June 1, 2009 and shall remain in effect until July 31, 2011 unless otherwise specifically provided for herein. It shall continue in effect from year to year thereafter, from June 1, through July 31st of each year, unless changed or terminated in the way later provided herein.

Section 1.02 (a) Either party or an Employer withdrawing representation from the Chapter or not represented by the Chapter, desiring to change or terminate this Agreement must provide written notification at

ARTICLE III

Section 3.01 Electrical Material Handlers shall be permitted to do the clerking, handling of stock, the care and cleaning of equipment, making up orders, delivering materials, tools, and equipment to the Contractor's job, and returning same to the shop, but may not be employed, or be used to prefabricate, pull wires, or perform any Journeyman operations.

Section 3.02 Material Handlers shall be permitted on a job site to perform Material Handler's scope of work only. The ratio of material handler to journeymen and/or foremen permitted shall be one (1) Material Handler to three (3) Journeymen and/or Foremen. (Same as the apprenticeship ratio.)

The delivery and handling of tools and material shall be restricted to the following:

(a) From the primary receiving area for the job to each crew's designated crew report area or area designated by the Foreman.

(b) Material Handlers will be permitted to move, uncrate, remove and clean-up all material and equipment that has been de-energized and/or disconnected electrically and mechanically. On energized areas, only when accompanied by an inside wireman.
