**IMPORTANT NOTICE TO AWARDING BODIES AND ALL INTERESTED PARTIES
REGARDING CORRECTIONS TO
THE DIRECTOR'S GENERAL PREVAILING WAGE DETERMINATIONS**

Dear Public Official/Other Interested Parties:

CRAFT/CLASSIFICATION: Plumber: Refrigeration Service HVACR (2nd Shift)
LOCALITY: All localities within Los Angeles and Orange Counties
DETERMINATION(s): LOS-2023-2 and ORA-2023-2

The predetermined increase amount of \$2.15 for the specified craft/classification was originally published incorrectly. However, the breakdown of the increase remains accurate for the above-referenced determinations. Below is the correct total predetermined increase amount and allocation are listed below:

Effective September 4, 2023, the increase totals **\$2.39**, allocated as follows: \$2.04 to the Basic Hourly Rate, \$0.25 to Pension, and \$0.10 to Other payments.

There will be no further increases applicable to this determination.

CRAFT/CLASSIFICATION: Plumber: Refrigeration Service HVACR
LOCALITY: All localities within San Luis Obispo, Santa Barbara, and Ventura Counties
DETERMINATION(s): SLO-2023-2, STB-2023-2, and VEN-2023-2

The predetermined increase breakdown effective September 4, 2023, was published incorrectly, listing two separate increases for Training Contributions (\$0.20 to Training and \$0.10 to Training). The \$0.10 allocation should instead be categorized under Other Payments.

The correct breakdown is as follows: \$1.35 to the Basic Hourly Rate, \$0.50 to Pension, \$0.20 to Training, and **\$0.10 to Other Payments.**

With the exception of the above corrections, all of the wage rates and other conditions found in the above-referenced prevailing wage determinations remain unchanged.
