Dear Public Official/Other Interested Parties:

CRAFT/CLASSIFICATIONS: Electrician: Inside Wireman (When Welding) First Shift & Electrician: Cable Splicer Second Shift

LOCALITY: All localities within Monterey, San Benito & Santa Cruz Counties

DETERMINATION: MON-2024-2, SBE-2024-2, and STZ-2024-2

The \$4.65 predetermined increase effective on **December 29, 2024**, was inadvertently posted in the above referenced prevailing wage determinations. There is no predetermined increase scheduled to take effect on **December 29, 2024** for the above-referenced determinations.

The correct predetermined increases applicable to these craft(s)/classification(s) in the above-referenced determinations are as follows:

Effective December 23, 2024, there will be an increase of \$4.65 to be allocated to wages and/or employer payments.

Effective **December 29, 2025**, there will be an increase of \$4.65 to be allocated to wages and/or employer payments.

Effective December 28, 2026, there will be an increase of \$4.70 to be allocated to wages and/or employer payments.

With the exception of the above correction, all of the wage rates and other conditions found in the above referenced prevailing wage determination remain unchanged.
