These predetermined increases for the above-named crafts apply only to the current determinations for work being performed on public works projects with bid advertisement dates on or after **March 4, 2026**, until the determination(s) is/are superseded by a new determination(s) or a predetermined increase modification notice becomes effective.

When referencing our prevailing wage determinations, please note that if the prevailing wage rate determination, which was in effect on the bid advertisement date of a project, has a single asterisk (*) after the expiration date, the rate will be good for the life of the project. However, if a prevailing wage rate determination has double asterisks (**) after the expiration date, the rate must be updated on the following date to reflect the predetermined rate change(s).

The above Determinations are currently in effect and will expire on June 30, 2026**.

Effective on July 1, 2026, there will be an increase of \$5.00 to be allocated to wages and/or fringes.

Effective on July 1, 2027, there will be an increase of \$4.50 to be allocated to wages and/or fringes.

There will be no further increases applicable to these determinations.

Issued 2/22/2026, Effective 3/4/2026 until superseded.

This page will be updated when the wage rate breakdown becomes available.
