**IMPORTANT NOTICE TO AWARDING BODIES AND ALL INTERESTED PARTIES
REGARDING A CORRECTION TO
THE DIRECTOR'S GENERAL PREVAILING WAGE DETERMINATIONS**

Dear Public Official/Other Interested Parties:

CRAFT/CLASSIFICATION: Carpet Layer: Resilient Tile Layer (All Shifts)

LOCALITIES: All localities within Imperial and San Diego Counties

DETERMINATIONS: IMP-2025-2, IMP-2026-1, IMP-2026-2, SDI-2025-2, SDI-2026-1, and SDI-2026-2

Page two, under Section 7, Subsection B (ii), of the travel and subsistence provisions for the above-mentioned determination was incorrectly published. The correct language is as follows:

“ii) (Effective January 1, 2026) Apprentice Travel Expense. For every request for an Apprentice from the out of work list who is dispatched to a public works project that is **fifteen (15)** miles and beyond from the Local Union the Apprentice shall receive one hundred dollars (\$100.00) per day for Travel Expenses. On jobs that are **eighty (80)** miles and beyond, acceptable lodging must be provided. The employer shall pay a per diem at the current County rates under the IRS guidelines in which the project is located for meals and incidental expenses. The mileage calculation shall be determined by the shortest route using Google Maps.”

With the exception of the above correction, all of the wage rates and other conditions found in the above-referenced prevailing wage determinations remain unchanged.
