

SCOPE OF WORK PROVISIONS

CRAFT/CLASSIFICATION

Plasterer

ID

203-X-2

LOCALITY

Imperial, Inyo, Kern, Los Angeles, Mono, Orange, Riverside, San Bernardino, San Diego, San Luis Obispo, Santa Barbara, and Ventura Counties.

SCOPE OF WORK

SECTION 2. Scope of Work

The Plasterers scope of work shall include:

- a. All interior or exterior plastering using gypsum plaster, portland cement plaster, stucco, radiant heat fill material, marble-Crete, imitation brick [REDACTED] or masonry, embedding of chips and stones, the finishing of same and any mortars applied by the normal methods used by plasterers. This Agreement shall not supersede existing jurisdictional agreements between the signatory Unions and other crafts.
- b. Corner beads when stuck on.
- c. The bonding and scratching of all ceilings and walls to receive terrazzo and tile, and the bonding, scratching and browning to receive thin set tile.
- d. The waterproofing of plaster [REDACTED].
- e. The application of bond coat plasters, bond dash coats and bonding agents to which plaster is to be applied regardless of tools used, method of application, and color of material or type of base to which it is applied.
- f. The sticking, nailing, and screwing on of all plaster caps and ornaments, [REDACTED].
- g. All molding runs in place. The making of all templates and the horsing of molds for interior and exterior work. The sticking in place of all staff work and plaster enrichments.
- h. The application of [REDACTED] materials used for contact [REDACTED] fireproofing, [REDACTED] fireproofing, acoustical finish, or decorative finish [REDACTED].
- i. Plasterers shall have autonomy governing the mixing and applying of all materials used for plaster patching.
- j. The initial cleaning, preparation and protection and hanging of tarps of areas immediately adjacent to the plastering and concurrent with plastering operations necessary to meet California State Building Codes.
- k. The installation of Exterior Insulation Finish Systems (EIFS) [REDACTED].
- l. The Employer recognizes the right of Employees covered by this Agreement to service themselves.

- m. The carving or texturing of “positive” rock and other theme work created from gypsum, portland cement, or acrylic plaster. [REDACTED].

SECTION 10. Masking and Covering

Masking, taping, or affixing other protective materials where plaster application by hand or plastering machine on walls, ceilings, or attachments thereto that Plasterers are required to work or to remove, shall be performed at the same rate as the plastering work is to be performed.
