Subchapter 4. Labor Compliance Programs

Article 1. Operation of Labor Compliance Program and Contracts Subject to Labor Compliance Program Jurisdiction

§16423. Approved Labor Compliance Program Required by Statute.

(a) Whenever an Awarding Body either is required by statute to enforce or contract to enforce a Labor Compliance Program that contains or meets the requirements of Labor Code section 1771.5, or has elected to enforce such a program, the Awarding Body must have its own program that has been approved by the Director pursuant to these regulations section 16425 below, unless it either (1) fully contracts out its responsibilities and decision-making authority to a third-party program that has been approved by the Director pursuant to section 16426 below, or (2) has agreed to pay a fee to the Department of Industrial Relations for monitoring and enforcement pursuant to Subchapter 4.5 below.

(b) The governing board of any Awarding Body that is required to enforce a Labor Compliance Program under subpart (a) above shall make a written finding that the Awarding Body has

(1) established its own Labor Compliance Program in accordance with the requirements of Labor Code Section 1771.5(b) and this subchapter;

(2) has contracted with a third party that has been approved by the Director to operate a Labor Compliance Program in accordance with the requirements of Labor Code Section 1771.5(b) and this subchapter; or

(3) has entered into an agreement with the Labor Commissioner for monitoring and enforcement pursuant to Subchapter 4.5 below.

the Awarding Body intends to initiate and enforce its Labor Compliance Program either for (i) all public works projects in which under the authority of the Awarding Body participates or (ii) only those public works projects in which under the authority of the Awarding Body participates that are subject to the notice, fees, and fee waiver provisions of Article 1 of Subchapter 4.5 (beginning with section 16450) below, and, if applicable, (B) notice of any contract or agreement with a third party to operate a Labor Compliance Program shall be provided promptly to the Director and prior to certifying to any other entity that the Awarding Body has complied with the statutory requirement to have a Labor Compliance Program.

(c) For purposes of these regulations, an approved program refers to the entity that has applied for and received approval by the Director pursuant to these regulations based on a consideration of the factors in sections 16425, 16426, or 16427 below, and not to that entity’s manual or methodology for conducting labor compliance enforcement.

(d) Unless otherwise required by statute, an Awarding Body is not required to have separate Labor Compliance Programs, and a third party Labor Compliance Program is not required to have or separate approvals from the Director for different types of projects or funding sources, provided that (1) the Awarding Body has provided all notices required by subpart (b) above, (2) the Labor Compliance Program has timely filed all reports required by this subchapter, and (3) the Director has not otherwise limited the approved scope of operation for the Labor Compliance Program.

(e) The limited exemption from payment of prevailing wages provided by Labor Code Section 1771.5(a) and section 16433 below shall not apply unless the Awarding Body either (1) elects to initiate and enforces a Labor Compliance Program for all public works projects in which the Awarding Body participates every public works project under the authority of the Awarding Body; or (2) elects to reimburse the Department of Industrial Relations for compliance monitoring and enforcement and complies with the requirements of Labor Code Section 1771.5(f) for every

Article 4. Limited Exemption from the Requirement to Pay Prevailing Wages

§16433. Limited Exemption.

(a) As provided in Labor Code Sections 1771.5(a) and 1771.55(a), an Awarding Body which operates an approved Labor Compliance Program for all public works projects in which the Awarding Body participates may choose not to require payment of the general rate of per diem wages or the general rate of per diem wages for holiday and overtime work for any public works project of $25,000 or less when the project is for construction or installation work, or of $15,000 or less when the project is for alteration, demolition, repair, or maintenance work.

(b) A project for construction, installation, alteration, demolition, repair, or maintenance work shall be identified as such in the call for bids, and in the contract or purchase order.

(c) If the amount of a contract subject to subdivision (a) is changed and, as a result, exceeds the applicable limit under which the payment of the general rate of per diem wages is not required, workers employed on the contract after the amount due the contractor has reached the applicable limit shall be paid the general rate of per diem wages for regular, holiday or overtime work, as the case may be.

Subchapter 4.5  Compliance Monitoring and Enforcement by Department of Industrial Relations

§16450——Applicability.  [Text repealed]

The regulations in this subchapter shall apply to all of the following:

(a) any public works project awarded on or after August 1, 2010 that is funded in whole or in part from any bond issued by the state to fund public works projects, and for which the public works contract is awarded on or after January 1, 2012, or the effective date of these regulations, whichever is later;

(b) any public works project that is subject to a statutory requirement to pay a fee to the Department of Industrial Relations for the monitoring and enforcement of prevailing wage requirements on that project, and for which the public works contract is awarded on or after January 1, 2012, or the effective date of these regulations, whichever is later;

(c) any public works project that is subject to a statutory requirement to operate or enforce a labor compliance program or to contract with a third party to operate or enforce a labor compliance program, and for which, in lieu of contracting with another third party, the Awarding Body agrees to pay and the Labor Commissioner agrees to receive a fee for the monitoring and enforcement of prevailing wage requirements on that project; and

(d) all other public works projects undertaken by an Awarding Body that has elected to comply with the requirements of Labor Code Section 1771.55(a).
§16450. **Applicability.** *Text effective January 1, 2012*

(a) Except as provided in subparts (b) and (c) of this section, the regulations in this subchapter shall apply to contracts for public works projects awarded on or after January 1, 2012, or the effective date of these regulations, whichever is later, if all of the following (1) any public works project awarded on or after August 1, 2010 that is funded in whole or in part from any bond issued by the state to fund public works projects, and for which the public works contract is awarded on or after January 1, 2012, or the effective date of these regulations, whichever is later; (2) any public works project that is subject to a statutory requirement to pay a fee to the Department of Industrial Relations for the monitoring and enforcement of prevailing wage requirements on that project, and for which the public works contract is awarded on or after January 1, 2012, or the effective date of these regulations, whichever is later; and (c) any public works project that is subject to a statutory requirement to operate or enforce a labor compliance program or to contract with a third party to operate or enforce a labor compliance program, and for which, in lieu of contracting with another third party, the Awarding Body agrees to pay and the Labor Commissioner agrees to receive a fee for the monitoring and enforcement of prevailing wage requirements on that project; and (3) all other public works projects is undertaken by an Awarding Body that has elected to comply with the requirements of Labor Code Section 1771.55(a) 1771.5(f).

(b) Notwithstanding subpart (a) of this section, the regulations in this subchapter shall not apply to any public works project that is subject to the requirements of Public Resources Code Section 75075.

(c) With the exception of the notice requirements in section 16451(a), the regulations in this subchapter shall not apply to a project that is exempt from the requirement to pay a fee to the

§16451. Notice of Projects Subject to Fee Requirements of Subchapter. [Text repealed]

(a) The Awarding Body shall provide the Director with notice of any project that is subject to the requirements of this subchapter as follows:

(1) For any project funded in whole or in part from a bond issued by the state to fund public works projects, the Awarding Body shall provide notice at the time it receives notice that the funding agency has awarded or released the funds, whichever is later.

(2) For any other project that is not subject to subpart (1) above, the Awarding Body shall provide notice at the time it awards the design-build contract, if using design-build contracting authority, or at the time it awards the initial prime contract, if using any other contracting authority.

(3) The notice required by this section shall be sent to the Office of the Director of Industrial Relations, Attention: Special Assistant, 455 Golden Gate Avenue, 10th Floor, San Francisco, CA 94102, and shall include the following information:

-----------
(A) The date of the contract;
(B) The names and contact information for the parties to the contract;
(C) A brief description of the work to be performed;
(D) The precise location or locations where the work will be performed;
(E) The estimated starting date of work on the project;
(F) The source or sources of any state-issued public works bond funding for the project, and the amounts paid or estimated to be paid by each source of that funding;
(G) The estimated total project costs, including the gross amount of every contract for “public works” within the meaning of sections 1720 and following of the Labor Code, but not including exclusive of amounts paid for land acquisition or for internal costs or contracts that are not for public works within the meaning of sections 1720 and following of the Labor Code; and
(H) The name, title, and contact information for the Awarding Body representative who will be responsible for carrying out the Awarding Body’s obligations under this subchapter.

(4) In the case of an ongoing project for which the Awarding Body is seeking to pay a fee to the Department of Industrial Relations for monitoring and enforcement in lieu of contracting with a third party for continued enforcement of a labor compliance program, the Awarding Body shall comply with the requirements of section 16453 below.

(c) The Call for Bids, Design-Build Request, and the contract or purchase order shall contain appropriate language concerning the requirements of Division 2, Part 7, Chapter 1 of the Labor Code and shall also state that the project is subject to the requirements of this subchapter, including the obligation to furnish certified payroll records directly to the Labor Commissioner in accordance with section 16461 below.

(d) On each job site that is subject to compliance monitoring and enforcement by the Department of Industrial Relations under this subchapter, the Awarding Body shall post or require the prime contractor to post a Notice containing the following language:

"This public works project is subject to monitoring and investigative activities by the Compliance Monitoring Unit (CMU) of the Division of Labor Standards Enforcement, Department of Industrial Relations, State of California. This Notice is intended to provide information to all workers employed in the execution of the contract for public work and to all contractors and other persons having access to the job site to enable the CMU to ensure compliance with and enforcement of prevailing wage laws on public works projects.

"The prevailing wage laws require that all workers be paid at least the minimum hourly wage as determined by the Director of Industrial Relations for the specific classification (or type of work) performed by workers on the project. These rates are listed on a separate job site posting of minimum prevailing rates required to be maintained by the public entity which awarded the public works contract. Complaints concerning nonpayment of the required minimum wage rates to workers on this project may be filed with the CMU at any office of the Division of Labor Standards Enforcement (DLSE).

§16452. Fees for Compliance Monitoring and Enforcement by Department of Industrial Relations. [Text repealed]

(a) The fee for services under this subchapter shall be as follows:

(1) For any project subject to the requirements of this subchapter solely by reason of the receipt of state-issued bond funds, the fee shall be one-fourth of one percent of the funds released by the funding agency for the project;

(2) For any other project, the fee shall be equal to the greater of the following:

   (A) one-fourth of one percent of the proceeds of any state-issued bond funds that have been provided for the project, or

   (B) one-fourth of one percent of the total project costs.

(3) For purposes of this subchapter, the term “total project costs” shall include all costs that are incident to the construction of a public works project, including but not limited to financing, engineering, architecture, surveying, testing, legal, and construction management expenses, but shall not include amounts paid for land acquisition.

(4) In the case of an ongoing project for which the Awarding Body is seeking to pay a fee to the Department of Industrial Relations for monitoring and enforcement in lieu of contracting with a third party for continued enforcement of a labor compliance program, the Department may agree to accept a lesser or pro rata fee, depending upon the projected volume of monitoring and enforcement that remains to be done on the project.

(b) The fees required by this section shall be paid at the time the Awarding Body is required to provide the notice specified in section 16451(a) above and, if applicable, at the time of each successive release of state-issued bond funding from which an additional fee is due.
(e) For projects subject to the payment of a fee based on total project costs under subparts (a)(2) and (a)(3) of this section, the fee shall be calculated based on the total estimated costs as determined at the time the Awarding Body is required to provide notice under section 16451(a)(2) above. This fee shall constitute the entire fee due for the project and shall not be subject to further augmentation or reduction except as follows:

(1) The Department may require verification of items included in the estimate and may require the fee to be recalculated if the Awarding Body’s estimate was not based on total project costs as defined in subpart (a)(3) of this section or was otherwise inaccurate.

(2) If the Awarding Body receives state issued bond funding that makes it subject to a fee in excess of one quarter of one percent of the total project costs, the Awarding Body shall pay the additional fee due up to the maximum fee specified in subpart (a)(2) of this section.

(3) If the Department receives duplicative payments that cause the amounts paid to exceed the maximum fee due under subpart (a)(2) of this section, the Department shall refund the excess amount.

(a) The Department shall charge a fee for purposes of recovering its reasonable and necessary costs that are directly related to the monitoring and enforcement of prevailing wage requirements on a project that is subject to the fee.

(b) For projects that use funds from any bond issued by the state to fund public works projects, the maximum fee that is payable from those bond proceeds and the manner for billing and collecting that fee shall be in accordance with standards approved by the Department of Finance and any constitutional or statutory standards and limits governing the bond in question. standards may provide for the direct billing and payment of fees by the state board, commission, department, agency, or official that awards or administers the bond funding on the state’s behalf.

(c) The maximum fee assessed for any project shall not exceed one-quarter of one percent of the total amount of the total project costs, including the gross amount of every contract for “public works” within the meaning of sections 1720 and following of the Labor Code, but not including amounts paid for land acquisition or for internal costs or contracts that are not for public works within the meaning of sections 1720 and following of the Labor Code.

(d) Fees collected pursuant to this section shall be deposited in the State Public Works Enforcement Fund and shall be used only for the monitoring and enforcement of prevailing wage requirements on projects subject to the fee.

(e) The Director may enter into agreements with any agency that awards state bond funds for public works projects for the purpose of receiving notice and direct payment of the fee specified in subpart (a)(1) or (a)(2)(A) above at the time the funds are released.

§16450. Applicability. [Text effective January 1, 2012]

(a) Except as provided in subparts (b) and (c) of this section, the regulations in this subchapter shall apply to contracts for public works projects awarded on or after January 1, 2012, or the effective date of these regulations, whichever is later, if (1) the project is funded in whole or in part from any bond issued by the state to fund public works projects; (2) the project is subject to a statutory requirement to pay a fee to the Department of Industrial Relations for the monitoring and enforcement of prevailing wage requirements on that project; or (3) the project is undertaken by an Awarding Body that has elected to comply with the requirements of Labor Code Section 1771.5(f).

(b) Notwithstanding subpart (a) of this section, the regulations in this subchapter shall not apply to any public works project that is subject to the requirements of Public Resources Code Section 75075.

(c) With the exception of the notice requirements in section 16451(a), the regulations in this subchapter shall not apply to a project that is exempt from the requirement to pay a fee to the Department for monitoring and enforcement activities on the project on the basis that the Awarding Body has entered into a collective bargaining agreement that (1) binds all contractors and subcontractors performing work on the project and (2) includes a mechanism for resolving disputes about the payment of wages.
