Dear Friends,

On behalf of the City of Los Angeles, it is my pleasure to welcome and congratulate the members, guests and supporters attending the International Forum on Disability Management 2010: *Collaborating for Success* hosted by the California Department of Industrial Relations and the California Commission on Health and Safety and Workers' Compensation in association with the International Association of Industrial Accident Boards and Commissions.

I join with members of our community in recognizing the IDFM Conference for their strong commitment to unifying and developing the next generation of global leaders in disability management. Your efforts to create, implement, and evaluate disability management initiatives to improve the quality of life for those with disabilities are exemplary and deeply appreciated by the City of Los Angeles.

I extend my best wishes for a memorable event and future success.

Very truly yours,
