The Division held a pre-rulemaking Advisory Committee meeting in December 2012 on proposed updates to the Elevator Safety Orders in Title 8 of the California Code of Regulations. For this meeting, the discussion will be limited to issues related to elevator car top railings. The purpose of this meeting will be to allow affected parties to present any suggestions, arguments or data before we move forward with the rulemaking process. This is a preliminary activity, as no formal rulemaking has been initiated at this time.

Supporting documents will be posted on our website at <http://www.dir.ca.gov/dosh/Elevator.html> prior to this meeting.
