INSTRUCTIONS FOR QME FORM 111

USE THIS FORM ONLY WHEN THE INJURED EMPLOYEE IS UNREPRESENTED

To the QME: You are required by Labor Code section 4062.3(i) to summarize the medical findings from your comprehensive medical-legal evaluation on the form prescribed by the Administrative Director. Please complete the form in its entirety.

Employee Information: Fill in the employee's full name, address, telephone number and date of injury.

Event Dates: Complete dates that patient called for an appointment, date of initial examination, date referred for consultation(s), if any, and date(s) report(s) served on all parties. Supplying these dates is a legal requirement.

Disputed Medical Issues and Conclusions: Complete this section by checking appropriate box and stating what page(s) or section of the medical legal report contain the narrative for details. If diagnostic or laboratory tests have been ordered and the results or a medical records request is pending, check that box. If you cannot render opinions because of pending information, please complete and serve the report to comply with the 30-day time requirement and state what issues could not be evaluated.

Basis for Conclusions: Check appropriate box for each question on form. For diagnoses, please briefly summarize the diagnoses in lay terms where possible, except when you deem that not advisable in disputed claims involving injury to the psyche. Also, list the name and specialty for other physicians who provided information used in the medical legal report.

Need for Additional Evaluation in Another Specialty: Labor Code section 4062.3 directs each evaluator to address all contested medical issues arising from all injuries reported on one or more claim forms prior to the evaluator's initial evaluation. Each evaluator is expected to address permanent impairment consistent with the AMA guides for the evaluator's specialty, or for disputed injuries to the psyche consistent with the global assessment of functioning (GAF) as directed in the 2005 Permanent Disability Schedule adopted by the Administrative Director effective 1/1/2005. In the event there are contested medical issues outside of the scope

of your licensure or clinical competence that require evaluation by a physician in a different specialty, complete the information required in questions 22 through 24, and serve a copy of your report on the Medical Unit of DWC.

QME Signature: Remember under the Labor Code, all your reports must be signed under the penalty of perjury. You are required to serve the medical legal report and this form on the employee (unless the claim involves a disputed injury to the psyche and section 36.5 of Title 8 of the California Code of Regulations applies and provides for a different method of service), the claims administrator (if none, the employer) and whenever the report finds permanent impairment and permanent disability, on the Disability Evaluation Unit (DEU) having jurisdiction over the employee's area of residence.

Declaration of Service of Medical – Legal reports: Labor Code sections 139.2(j)(1)(A) and 4062.3 (i) and section 38 of Title 8 of the California Code of Regulations require the QME to serve the medical-legal report and this form on the claims administrator, or if none the employer, and the injured worker (except when section 36.5 of Title 8 of the California Code of Regulations applies) within 30 days from the commencement of the examination, unless certain conditions are met. Please complete the proof of service to show the date the report was served on the parties and the Disability Evaluation Unit.
