HOW THE IBR FINAL DETERMINATION WAS MADE

MAXIMUS Federal Services Chief Coding Specialist reviewed the case file and researched pertinent coding and billing standards to reach a determination. In some cases a physician reviewer was employed to review the clinical aspects of the care to help make a determination. He/she has no affiliation with the employer, employee, providers or the claims administrator. The expert reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and disputed items/services.

ANALYSIS AND FINDING

Based on review of the case file the following is noted:

- **ISSUE IN DISPUTE:** Provider is dissatisfied with reimbursement of code 99215 and WC002 for date of service 7/28/2014.
- Claims Administrator reimbursed $83.49 down coding 99215 to a 99213 indicating on the Explanation of Review “The documentation does not support the level of service billed. Reimbursement was made for a code that is supported by the documentation submitted with the billing” and “This charge was adjusted to comply with the rate and rules of the contract indicated.”
- 99215: Office or other outpatient visit for the evaluation and management of an established patient, which requires at least 2 of these 3 key components: A comprehensive history; a comprehensive examination; Medical decision making of high complexity.
- Provider submitted a PR-2 which does not meet the criteria to support CPT 99215.
- According the Medical Fee Schedule, reimbursement is set at $84.99 for CPT 99215.
- A request for a PPO contract was sent to the Claims Administrator however, nothing was received. Therefore, additional reimbursement of code 99213 is warranted pursuant the Official Medical Fee Schedule.
- Provider billed code WC002 which Claims Administrator reimbursed $7.74 indicating on the Explanation of Review “Network Allowance.”
- Effective 1/1/2014 §9789.19(a), reimbursement for California Specific Code WC002 is set at $11.91. Therefore, additional reimbursement for code WC002 is warranted.

The table below describes the pertinent claim line information.

**DETERMINATION OF ISSUE IN DISPUTE:** Additional reimbursement of code WC002 is recommended.
