HOW THE IBR FINAL DETERMINATION WAS MADE

MAXIMUS Federal Services Chief Coding Specialist reviewed the case file and researched pertinent coding and billing standards to reach a determination. In some cases a physician reviewer was employed to review the clinical aspects of the care to help make a determination. He/she has no affiliation with the employer, employee, providers or the claims administrator. The expert reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and disputed items/services.

ANALYSIS AND FINDING

Based on review of the case file the following is noted:

- **ISSUE IN DISPUTE**: Provider is dissatisfied with reimbursement of codes 29888, 29881 and L1830.
  - Both codes 29888 and 29881 have Status Indicators ‘T’ which states: Procedure, Multiple Reduction Applies. Paid under OPPS; Separate APC payment.
  - 29888 was reimbursed based on RW = 82.2078 x CF = 80.45 x 1.22 = $8068.61 x PPO discount 3% = $7826.55. Provider was reimbursed $8068.61 and therefore, no further reimbursement is warranted.
  - Claims Administrator reimbursed code 29881 $1079.10 indicating on the Explanation of Review “The Hospital Outpatient Allowance was calculated as required under section 9789.33 of Title 8, CCR Labor Code 5307.1.”
  - 29881 - Arthroscopy, knee, surgical; with meniscectomy (medial OR lateral, including any meniscal shaving) including debridement/shaving of articular cartilage (chondroplasty), same or separate compartment(s), when performed.
  - Based on calculation for OPPS for code 29881: RW = 29.6106 x CF = 80.45 x 1.22 = $1453.13. PPO contract discount of 3% = $1409.54 – payment of $1079.10 = $330.44 due for code 29881.
  - Provider billed DME code L1830 - Ko immob canvas long pre ots; **Services furnished to a hospital outpatient that are paid under a fee schedule or payment system other than OPPS**
• DME code L1830 is reimbursed according to OMFS Durable Medical Equipment, Prosthetics, Orthotics and Supplies (DMEPOS) at $123.42 – PPO discount 3% = $119.72. EOR received reflects payment of $123.42 and therefore, additional reimbursement is not recommended.
• Based on information reviewed, additional reimbursement of 29881 is warranted.

The table below describes the pertinent claim line information.

**DETERMINATION OF ISSUE IN DISPUTE:** Additional reimbursement of code 29881 is recommended.
