MAXIMUS Federal Services has completed the Independent Bill Review (“IBR”) of the above workers’ compensation case. This letter provides you with the IBR Final Determination and explains how the determination was made.

Final Determination: OVERTURN. MAXIMUS Federal Services has determined that additional reimbursement is warranted. The Claims Administrator’s determination is reversed and the Claim Administrator owes the Provider additional reimbursement of $195.00 for the review cost and $126.09 in additional reimbursement for a total of $321.09. A detailed explanation of the decision is provided later in this letter.

The Claim Administrator is required to reimburse the Provider a total of $321.09 within 45 days of the date on this letter per section 4603.2 (2a) of the California Labor Code. **HOW THE IBR FINAL DETERMINATION WAS MADE**

MAXIMUS Federal Services Chief Coding Specialist reviewed the case file and researched pertinent coding and billing standards to reach a determination. In some cases a physician reviewer was employed to review the clinical aspects of the care to help make a determination. He/she has no affiliation with the employer, employee, providers or the claims administrator. The expert reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and disputed items/services.

**ANALYSIS AND FINDING**

Based on review of the case file the following is noted:

- **ISSUE IN DISPUTE:** Provider is dissatisfied with denial of codes 99214 and WC002 for date of service 9/22/2014
- Claims Administrator denied codes indicating on the Explanation of Review “This claim has been settled and insurer is not responsible for payment of ongoing medical service. Please bill the patient directly.”
- Documentation received for review included a Case Events form showing Order Approving C & R: Closing Order: C & R (Granted); Event Date 10/17/2014.
- Service date is prior to the Closing Order date of 10/17/2014 and therefore reimbursement is warranted for services on 9/22/2014.
- PPO contract received shows an 8% discount is to be applied to reimbursement.
The table below describes the pertinent claim line information.
