**HOW THE IBR FINAL DETERMINATION WAS MADE**

MAXIMUS Federal Services Chief Coding Specialist reviewed the case file and researched pertinent coding and billing standards to reach a determination. In some cases a physician reviewer was employed to review the clinical aspects of the care to help make a determination. He/she has no affiliation with the employer, employee, providers or the claims administrator. The expert reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and disputed items/services.

**ANALYSIS AND FINDING**

Based on review of the case file the following is noted:

- **ISSUE IN DISPUTE**: Provider is disputed the denial of an orthotic device billed under rev code 274 (L1832) under DRG 494.
- Based on review of CCR §9789.22, “(7). The cost of durable medical equipment provided for use at home is exempt from this Inpatient Hospital Fee Schedule. The cost of durable medical equipment shall be paid pursuant to Section 9789.60;”
- Section 9789.60 sets the maximum reimbursement fee for DME at 120% of the rate CMS sets for California.
- Provider is requesting reimbursement of $628.76, less than the allowable.
