Dear [Redacted]

MAXIMUS Federal Services has completed the Independent Bill Review (“IBR”) of the above workers’ compensation case. This letter provides you with the IBR Final Determination and explains how the determination was made.

Final Determination: OVERTURN. MAXIMUS Federal Services has determined that additional reimbursement is warranted. DOCUMENTS REVIEWED

- The Independent Bill Review Application

- Request for Second Bill Review and documentation
- Supporting documents submitted with the request for second review

HOW THE IBR FINAL DETERMINATION WAS MADE

MAXIMUS Federal Services Chief Coding Specialist reviewed the case file and researched pertinent coding and billing standards to reach a determination. In some cases a physician reviewer was employed to review the clinical aspects of the care to help make a determination. He/she has no affiliation with the employer, employee, providers or the claims administrator. The expert reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and disputed items/services.

ANALYSIS AND FINDING

Based on review of the case file the following is noted:

- **ISSUE IN DISPUTE:** Provider is dissatisfied with reimbursement or denial of HCPCS code E0215-NU for multiple injured workers on separate dates of service.
- Effective for services rendered on or after January 1, 2013, the maximum reasonable fees for Durable Medical Equipment, Prosthetics, Orthotics, Supplies shall not exceed 120% of the applicable California fees set forth in the Medicare calendar year 2012 “Durable Medical Equipment, Prosthetics/Orthotics, and Supplies (DMEPOS) Fee Schedule”
- The Provider provided the Moist Heat Pad Electric – Custom Touch (E0215) to the injured worker(s) in the office. The durable medical equipment billed as HCPCS E0215 is listed on the CMS DMEPOS fee schedule and does not require a prescription. The OMFS allowance for covered supplies and equipment listed on the CMS DMEPOS fee schedule not requiring a prescription is based on 120% of the applicable California fees set forth in the Medicare calendar year 2012 “Durable Medical Equipment, Prosthetics/Orthotics, and Supplies (DMEPOS) Fee Schedule.”
- Explanation of Review shows a contract negotiated discount between Claims Administrator and Provider. As there is no contract submitted for review, recommended allowance is based on the OMFS DMEPOS fee schedule. The Provider billed less than

the fee schedule amount. Therefore, recommended reimbursement allowance is based on the Provider's billed amount of for HCPCS code E0215-NU
