MAXIMUS Federal Services has completed the Independent Bill Review (“IBR”) of the above workers’ compensation case. This letter provides you with the IBR Final Determination and explains how the determination was made.

Final Determination: OVERTURN. MAXIMUS Federal Services has determined that additional reimbursement is warranted. The Claims Administrator’s determination is reversed and the Claim Administrator owes the Provider additional reimbursement of \$195.00 for the review cost and \$0.00 in additional reimbursement as Provider has already been reimbursed for a total of \$195.00. A detailed explanation of the decision is provided later in this letter.

HOW THE IBR FINAL DETERMINATION WAS MADE

MAXIMUS Federal Services Chief Coding Specialist reviewed the case file and researched pertinent coding and billing standards to reach a determination. In some cases a physician reviewer was employed to review the clinical aspects of the care to help make a determination. He/she has no affiliation with the employer, employee, providers or the claims administrator. The expert reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and disputed items/services.

ANALYSIS AND FINDING

Based on review of the case file the following is noted:

- **ISSUE IN DISPUTE:** Provider is dissatisfied with denial of CPT 99199
- Claims Administrator denied code indicating on the Explanation of Review “This service requires prior authorization and none was identified”
- Provider submitted RFA dated 9/23/14 stating that they had received medical records for the injured worker and were requesting prior authorization to review the records and issue a supplemental report. Provider requested Claims Administrator to submit written authorization to their office which the Claims Administrator did so. Claims Administrator marked the box next to the statement “Authorization is granted for review and supplemental report of the aforementioned medical records” and signed the form at the bottom.
- IBR received notice from both the Provider and Claims Administrator that payment was made for CPT 99199 in full.
- Based on information reviewed, reimbursement of 99199 has been made and therefore, no further reimbursement is due for 99199. Claims Administrator is responsible for the IBR application in the amount of \$195.00 to be paid to the Provider.

The table below describes the pertinent claim line information.
