Dear [Redacted]

MAXIMUS Federal Services has completed the Independent Bill Review (“IBR”) of the above workers’ compensation case. This letter provides you with the IBR Final Determination and explains how the determination was made.

Final Determination: OVERTURN. MAXIMUS Federal Services has determined that additional reimbursement is warranted. The Claims Administrator’s determination is reversed and the Claim Administrator owes the Provider additional reimbursement of \$195.00 for the review cost and \$137.05 in additional reimbursement for a total of \$332.05. A detailed explanation of the decision is provided later in this letter.

The Claim Administrator is required to reimburse the Provider a total of \$332.05 within 45 days of the date on this letter per section 4603.2 (2a) of the California Labor Code. The determination of MAXIMUS Federal Services and its expert reviewer is deemed to be the Final Determination of the Administrative Director of the Division of Workers’ Compensation. This determination is binding on all parties. In certain limited circumstances, you can appeal the Final Determination. Appeals must be filed with the Workers’ Compensation Appeals Board within 20 days from the date of this letter. For more information on appealing the final determination, please see California Labor Code Section 4603.6(f).

Sincerely,

HOW THE IBR FINAL DETERMINATION WAS MADE

MAXIMUS Federal Services Chief Coding Specialist reviewed the case file and researched pertinent coding and billing standards to reach a determination. In some cases a physician reviewer was employed to review the clinical aspects of the care to help make a determination. He/she has no affiliation with the employer, employee, providers or the claims administrator. The expert reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and disputed items/services.

ANALYSIS AND FINDING

Based on review of the case file the following is noted:

- **ISSUE IN DISPUTE:** Provider is dissatisfied with denial of codes 99214 and WC002
- Claims Administrator denied codes indicating on the Explanation of Review “This appears to be a duplicate charge for a bill previously reviewed, or this appears to be a balance forward bill containing a duplicate charge and billing for a new service”
- Provider billed codes 99214, WC002 and J3490
- EORs received showed zero payments reimbursed on any of the billed codes.
- As authorization is not needed for office visits, and WC002, Primary Treating Physician’s Progress Report, is a reimbursable report, reimbursement of codes is warranted.

The table below describes the pertinent claim line information.
