HOW THE IBR FINAL DETERMINATION WAS MADE

MAXIMUS Federal Services Chief Coding Specialist reviewed the case file and researched pertinent coding and billing standards to reach a determination. In some cases a physician reviewer was employed to review the clinical aspects of the care to help make a determination. He/she has no affiliation with the employer, employee, providers or the claims administrator. The expert reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and disputed items/services.

ANALYSIS AND FINDING

Based on review of the case file the following is noted:

- **ISSUE IN DISPUTE:** Provider is dissatisfied with denial of codes 97530 and 97112
- Claims Administrator denied codes indicating on the Explanation of Review “Payment is denied as the service was provided outside the designated network”
- Notice of Authorization sent to the Provider shows “Approved Service Description physical therapy 2xwk x 6wks Right Shoulder”
- Based on information reviewed reimbursement of services is warranted.
