## HOW THE IBR FINAL DETERMINATION WAS MADE

MAXIMUS Federal Services Chief Coding Specialist reviewed the case file and researched pertinent coding and billing standards to reach a determination. In some cases a physician reviewer was employed to review the clinical aspects of the care to help make a determination. He/she has no affiliation with the employer, employee, providers or the claims administrator. The expert reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and disputed items/services.

## ANALYSIS AND FINDING

Based on review of the case file the following is noted:

- **ISSUE IN DISPUTE:** Provider is dissatisfied with reimbursement of J1170-KD (38779073105) and J3010-KD (38779175603)
- Per Labor Code Section 5307 (e) (2) compounded drug products are to be billed by the pharmacy or dispensing physician at the ingredient level by National Drug Code (NDC) and quantity. The ingredient-level reimbursement shall be equal to 100 percent of the reimbursement allowed by the MEDI-CAL payment system and payment shall be based on the sum of the allowable fee for each ingredient plus a dispensing fee allowed by MEDI-CAL. If dispensed by a physician, the maximum reimbursement shall not exceed 300 percent of documented paid costs, but no more than twenty dollars above documented paid costs.
- For any pharmacy goods dispensed by a physician not subject to the above, the maximum reimbursement to a physician for pharmacy goods dispensed by the physician shall not exceed any of the following: the allowed amount in the Official Medical Fee Schedule, one hundred twenty percent of the documented paid cost to the physician, or one hundred percent of the documented paid cost to the physician plus two hundred fifty dollars.
- Letter received from Provider dated June 23, 2015 states they did receive payment in full from Claims Administrator for date of service 6/24/2014.
- Claims Administrator is only responsible for the IBR application fee of \$195.00 to be reimbursed to Provider.
