HOW THE IBR FINAL DETERMINATION WAS MADE

MAXIMUS Federal Services Chief Coding Specialist reviewed the case file and researched pertinent coding and billing standards to reach a determination. In some cases a physician reviewer was employed to review the clinical aspects of the care to help make a determination. He/she has no affiliation with the employer, employee, providers or the claims administrator. The expert reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and disputed items/services.

ANALYSIS AND FINDING

Based on review of the case file the following is noted:

- **ISSUE IN DISPUTE:** Provider is dissatisfied with reimbursement of DRG 520.
- Claims Administrator submitted an original payment of \$1,560.62 indicating “this charge was adjusted to comply with the rate and rules of the contract indicated”
- Claims Administrator reimbursed an additional payment of \$9,375.48
- Provider is disputing reimbursement based on the Contractual Agreement.
- A copy of the contract in dispute was not received for this review.
- Pursuant to LC § 5307.11: A health care provider or health facility licensed pursuant to Section 1250 of the Health and Safety Code, and a contracting agent, employer, or carrier may contract for reimbursement rates different from those in the fee schedule adopted and revised pursuant to Section 5307.1. When a health care provider or health facility licensed pursuant to Section 1250 of the Health and Safety Code, and a contracting agent, employer, or carrier contract for reimbursement rates different from those in the fee schedule, the medical fee schedule for that health care provider or health facility licensed pursuant to Section 1250 of the Health and Safety Code shall not apply to the contracted.
- § 9792.5.7 (b) Unless as permitted by section 9792.5.12, independent bill review shall only be conducted if the only dispute between the provider and the claims administrator is the amount of payment owed to the provider. Any other issue, including issues of contested liability or the applicability of a contract for reimbursement rates under Labor Code 5307.11 shall be resolved before seeking independent bill review.
