HOW THE IBR FINAL DETERMINATION WAS MADE

MAXIMUS Federal Services Chief Coding Specialist reviewed the case file and researched pertinent coding and billing standards to reach a determination. In some cases a physician reviewer was employed to review the clinical aspects of the care to help make a determination. He/she has no affiliation with the employer, employee, providers or the claims administrator. The expert reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and disputed items/services.

ANALYSIS AND FINDING

Based on review of the case file the following is noted:

- **ISSUE IN DISPUTE: Provider seeking additional remuneration for Initial Evaluation - Functional Restoration Evaluation services, billed as Unlisted Procedure Code 97799 - 86, for date of service 01/20/2016 – 01/22/2016.**
- The Claims Administrator's reimbursement rational indicates the following: "This charge was adjusted to comply with the rate and rules of the contract indicated."
- **Contractual Agreement provided for IBR, reflects "95%" of Billed Charges.**
- 97999 is a By Report code; a schedule allowance does not exist.
- OMFS allows for Unlisted Procedure Codes to be reimbursed by "By Report."
- **§9789.12.4 (c) "In determining the value of a By Report procedure, consideration may be given to the value assigned to a comparable procedure or analogous code. The comparable procedure or analogous code should reflect similar amount of resources, such as practice expense, time, complexity, expertise, etc. as required for the procedure performed."**
- **There is no allowance listed under the OMFS for the billed procedure code 97799 or, more specifically, an Initial Functional Restoration Program, and a comparable procedure code does not exist.**
- CPT 97799 By Report Code is not subject to MPPR as there is no unit value or conversion factor associated with this By Report Code.
- Functional Restoration Program service is authorized meeting the criteria for Modifier -86.
- **California State Assembly Bill 1177 amended the Labor Code effective January 1, 2002 to add §5307.11: 5307.11. A health care provider or health facility licensed pursuant to**

Section 1250 of the Health and Safety Code, and a contracting agent, employer, or carrier may contract for reimbursement rates different from those in the fee schedule adopted and revised pursuant to Section 5307.1. When a health care provider or health facility licensed pursuant to Section 1250 of the Health and Safety Code, and a contracting agent, employer, or carrier contract for reimbursement rates different from those in the fee schedule, the medical fee schedule for that health care provider or health facility licensed pursuant to Section 1250 of the Health and Safety Code **shall not apply to the contracted reimbursement rates.** Except as provided in subdivision (b) of Section 5307.1, the official medical fee schedule shall establish maximum reimbursement rates for all medical services for injuries subject to this division provided by a health care provider or health care facility licensed pursuant to Section 1250 of the Health and Safety Code other than those specified in contracts subject to this section.

- The Provider's Usual and Customary Fee is presented on RFA dated 01/20/2016 as **“\$225.00/hour.”**
- Authorization for FRP dated 02/5/2016 signed by Claims Administrator reflects “Request: Additional 120 hours of NCFRP (Functional Restoration Program), 6 hours daily – Monday through Thurs; 3 hours on Fridays (27 hours per week). Modified Approval: additional 106 hours of NCFRP.” Reimbursement amount not reflected.
- Modifier -86: OMFS “This Modifier is used when prior authorization was received for services that exceed OMFS ground rules.”
- The aforementioned Authorization is contractual in nature.
- Provider submitted claim for dates of service Wednesday 1/20 6 hours, Thursday 1/21 6 hours and Friday 1/22/16 3 hours = total 15 hours x \$225.00 = \$3,375.00 x 95% = \$3,206.25.
- Opportunity to dispute Eligibility communicated with the Claims Administrator on 5/5/2016; response not yet received.
- **Based on the aforementioned documentation and guidelines, additional reimbursement is indicated for Unlisted Procedure Code 97799-86.**

The table on page 4 describes the pertinent claim line information.
