[REDACTED]

[REDACTED]

Employee:	[REDACTED]
Claim Number:	[REDACTED]
Date of UR Decision:	7/16/2013
Date of Injury:	5/8/2013
IMR Application Received:	7/30/2013
MAXIMUS Case Number:	CM13-0004595

- 1) MAXIMUS Federal Services, Inc. has determined the request for **MRI for the right foot** is not medically necessary and appropriate.

INDEPENDENT MEDICAL REVIEW DECISION AND RATIONALE

An application for Independent Medical Review was filed on 7/30/2013 disputing the Utilization Review Denial dated 7/16/2013. A Notice of Assignment and Request for Information was provided to the above parties on 8/9/2013. A decision has been made for each of the treatment and/or services that were in dispute:

- 1) MAXIMUS Federal Services, Inc. has determined the request for **MRI for the right foot is not medically necessary and appropriate.**

Medical Qualifications of the Expert Reviewer:

The independent medical doctor who made the decision has no affiliation with the employer, employee, providers or the claims administrator. The physician reviewer is Board Certified in Occupational Medicine and is licensed to practice in California. He/she has been in active clinical practice for more than five years and is currently working at least 24 hours a week in active practice. The Expert Reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and treatments and/or services at issue.

Expert Reviewer Case Summary:

The patient is a 51 year old female with a DOI of 5/8/13. She reports increasing foot pain. She was treated with taping and orthotics. She was diagnosed with plantar fasciitis. She has pain over the plantar fascia and calcaneus. The patient reports increased pain with therapy. There is mild swelling on the foot and ankles.

Documents Reviewed for Determination:

The following relevant documents received from the interested parties and the documents provided with the application were reviewed and considered. These documents included:

- Application of Independent Medical Review
- Utilization Review Determination
- Medical Records from Claims Administrator
- Medical Treatment Utilization Schedule (MTUS)

1) Regarding the request for MRI for the right foot:

Section of the Medical Treatment Utilization Schedule Relied Upon by the Expert Reviewer to Make His/Her Decision

The Claims Administrator based its decision on the American College of Occupational and Environmental Medicine (ACOEM), 2nd Edition, (2004), Ankle and Foot Complaints, Chapter 14, which is part of the MTUS.

The Expert Reviewer based his/her decision on the the American College of Occupational and Environmental Medicine (ACOEM), 2nd Edition, (2004), Ankle and Foot Complaints, Chapter 14, which is part of the MTUS.

Rationale for the Decision:

ACOEM guidelines only recommends MRI of the foot for suspected plantar fascial rupture, avascular necrosis of talar dome and stress fracture of talar neck. The provider requests the MRI for reassurance of the employee. **The request for MRI for the right foot is not medically necessary and appropriate.**

Effect of the Decision:

The determination of MAXIMUS Federal Services and its physician reviewer is deemed to be the final determination of the Administrative Director, Division of Workers' Compensation. With respect to the medical necessity of the treatment in dispute, this determination is binding on all parties.

In accordance with California Labor Code Section 4610.6(h), a determination of the administrative director may be reviewed only if a verified appeal is filed with the appeals board for hearing and served on all interested parties within 30 days of the date of mailing of the determination to the employee or the employer. The determination of the administrative director shall be presumed to be correct and shall be set aside only upon proof by clear and convincing evidence of one or more of the grounds for appeal listed in Labor Code Section 4610.6(h)(1) through (5).

Sincerely,

Paul Manchester, MD, MPH,
Medical Director
