Dear Interested Party:

You are invited to attend the 2006 meeting of the Workers' Compensation Information System (WCIS) Advisory Committee. The WCIS has been up and running for over six years, and we now have almost 5 million workers' compensation claims represented in the database.

At the upcoming May 22 meeting of the Committee, we will give a WCIS status report. Additionally, we will discuss plans for maintenance and further development of the System. As you can see from the enclosed tentative agenda, we have a full slate of items to cover.

The meeting will be held at DWC's headquarters:

Monday, May 22, 2006
9:30 a.m. - 3:30 p.m. (lunch on your own)
Elihu Harris State Building Auditorium
1515 Clay Street, Oakland

Please email Ms. Dawn Bailey at dbailey@dir.ca.gov to let us know whether you or someone from your organization will be able to attend the May 22 meeting. You may wish to have a technical representative as well as someone from the program side.

Sincerely,

Carrie Nevans
Administrative Director
