### **DWC Offers Free Webinar on “The Independent Medical Review Process Explained for the Injured Worker” on Wednesday, Dec. 18 from 10-11 a.m.**

The California Division of Workers’ Compensation (DWC) and Maximus Federal Services invite injured workers and their designees and advocates to attend a one-hour web training on the Independent Medical Review (IMR) process. This webinar will address the roles of injured workers and their designees in the IMR process, including the planned IMR electronic submission feature.

[Pre-registration](#) is required to attend this free webinar meeting, and space is limited to 500 participants. The recorded webinar will be made available afterward for those unable to attend the live presentation.

Please submit questions prior to the webinar by sending an email to [IMRhelp@maximus.com](mailto:IMRhelp@maximus.com) by Friday, December 13.
