RE: Withdrawal of Approval of Labor Compliance Program,  
LCP ID No.: 2003.00072

Dear Mr. Misso:

The initial approval of the Ontario-Montclair School District Labor Compliance Program, ID No. 2003.00072 is withdrawn, effective July 27, 2009. This action is based on the program's failure to meet the updating requirement for continued approval status, as specified in Title 8, California Code of Regulations, section 16425(f). Specifically, the program has failed to submit an updated manual and the updated personnel and legal support information required to demonstrate its entitlement to continued approval status under section 16425.

The program may reapply for approval but must submit a new and complete application pursuant to sections 16424 and 16425 of the regulations. The school district can also contract with an approved third party labor compliance program in order to meet the requirements of Labor Code Section 1771.7 [AB 1506] or any other state statute that requires the district to have or contract for a labor compliance program.

If you have any questions or concerns, please contact Tess Gormley at 415-703-5063.

Sincerely yours,

A handwritten signature in black ink that reads "Tess Gormley".
