Re: Withdrawal of Approval of Labor Compliance Program,  
LCP ID No.: 2003.00101

Dear Mr. Bowers:

The initial approval of the Lake Elsinore Unified School District Labor Compliance Program, ID No. 2003.00101 is withdrawn, effective September 10, 2009. This action is based on the program's failure to comply with the updating requirements for continued approval status, as specified in Title 8, California Code of Regulations, section 16425(f). Specifically, the program has failed to file timely annual reports, as required under Title 8, California Code of Regulations, section 16431. There is also a concern regarding the availability of experienced and trained staff to administer the program since the only identified program staff is the district's Assistant Superintendent of Facilities and Operations.

The program may reapply for approval but must submit a new and complete application pursuant to sections 16424 and 16425 of the regulations.

If you have any questions or concerns, please contact Tess Gormley at 415-703-4282.

Sincerely yours,
