RE: Application for Approval of Labor Compliance Program  
LCP ID No. 2009.00635

Dear Mr. Torres:

In accordance with the provisions of Title 8, California Code of Regulations, section 16426(b), the application for approval of AmeriNational Community Services, Inc. labor compliance program is hereby denied. This action is based on the program's failure to establish its ability and capacity to operate an effective labor compliance program in accordance with applicable legal requirements. In particular, the program's manual fails to integrate regulatory requirements pertaining to reporting, withholding, and formal enforcement responsibilities, despite multiple attempts to address this problem. Although regulatory text was included, the manual still does not show how those requirements will be implemented.

This action does not preclude AmeriNational from submitting a new application that meets current regulatory requirements. Please note, however, that Director is currently in the process of adopting new regulations to implement the recent SBX2-9 legislation. Once adopted, these proposals may significantly limit the manner in which awarding bodies may use third party LCPs to enforce state prevailing wage requirements. For additional information about these proposals, please visit our website at [www.dir.ca.gov/lcp.asp](http://www.dir.ca.gov/lcp.asp).

If you have any questions about this determination, please contact me at, 415-703-5063.

Sincerely,

*Nance Steffen by P. Chestnut*
