RE: Application for Approval of Labor Compliance Program
LCP ID No. 2010.00656

Dear Ms. Gaines:

In accordance with the provisions of Title 8, California Code Regulations, section 16425, approval of Zone 7 Water Agency's Labor Compliance Program (LCP) is hereby granted, effective as of January 25, 2011. This approval is limited to compliance monitoring and enforcement on Zone 7 Water Agency's *own* public works projects and applies to any type of public works project undertaken by Zone 7 Water Agency. It is not necessary to have separate approvals for different types of projects. However, to provide LCP services to other awarding bodies, an LCP *must be approved* as a third party program pursuant to section 16426 of the regulations.

For additional information on the current rules applicable to the Labor Compliance Programs please visit our website at www.dir.ca.gov/lcp.asp.

If you have any questions about this determination, please contact Victor Osorio, at 415-703-5054.

Sincerely,
