Labor Code Sections 62.5 and 62.6 authorize the Department of Industrial Relations to assess employers for the costs of the administration of the workers' compensation, health and safety and labor standards enforcement programs. These assessments provide a stable funding source to the support operations of the courts, to ensure safe and healthy working conditions on the job, to ensure the enforcement of labor standards and requirements for workers' compensation coverage.

The purpose of this letter is to inform you that you will be receiving an invoice for your share of the assessments authorized by Labor Code Sections 62.5 and 62.6. The Labor Code requires allocation of the total assessment between insured and self-insured employers in proportion to payroll for the most recent year available
