STATE FUND'S Employer Education Series

Cal/OSHA Fall Protection Training for the Construction Industry

SEMINAR

Falls on the job can be tragic. One in five work related deaths in 2014 were in the construction industry, and 40% of those deaths were from falls. They also have a serious impact on your bottom line, due to lost productivity, lawsuits, and fines.

Cal/OSHA Consultation Services teaches this **free** course that covers the mandatory requirements employers must meet to protect workers from falls in the construction industry.
