QUICK REFERENCE GUIDE - Filing a lien and paying for the fee using E-form

The lien filer logs into the EAMS system and navigates to the **Notice and Request for Allowance of Lien** E-form as usual.

Complete the E-form

- 1. Log into EAMS with the appropriate username and password
- 2. Click the **E-forms** link
- 3. Click the Notice and Request for Allowance of Lien link
- 4. Complete all required and applicable fields on the E-form
- 5. Use the check boxes on Form 5 to indicate if a lien is exempt from filing fees.

Use the check boxes on Form 5 to indicate if the lien is exempt.

Check this box if this is not a lien filed under LC §4903(b) and is not a claim of costs filed as a lien, otherwise leave it blank. Check this box if the lien is exempt; otherwise leave it blank.

If a filing fee is not required, indicate the reason below (choose one):

This is not a lien filed under Labor Code section 4903(b) and is not a claim of costs filed as a lien.

This lien is exempt from the filing fee under labor code section 4903.05(c)(7)

Submit the E-form when all required and applicable fields are complete.

EAMS automatically generates a lien reservation number when the E-form is submitted. The lien reservation number is a unique identifier for each lien.

a ornage racritimer for each heri.

Exempt lien confirmation

- 1. View the confirmation page.
- 2. Print the confirmation page, if desired.
- 3. Click OK.

Non-exempt lien: Continue to payment

When a non-exempt lien is submitted, EAMS passes the lien reservation number

and payment amount due (\$150) to the lien fee payment website.

The lien fee payment website displays a form for the lien filer to enter payment information.

OK

Submission of this eform through EAMS constitutes service upon any internal DWC unit.

Case #: ADJ120912309
Lien #: 0000002672
Lien Claimant: COMPANY

Batch ID: 40786 Date: 12/27/2012 02:29:43 PM

When an exempt lien is submitted, a confirmation page is displayed. The confirmation page includes a case # (case reference), lien # (lien reservation number), lien claimant name, batch ID and date/time of submission.
