“I learned about teen safety and rights I never knew I had. I want to tell other people what I learned so they can prevent injury to themselves.”

“Now I want to learn more. I enjoyed the Academy and would love to be involved throughout high school.”

The Young Worker Leadership Academy (YWLA) is part of the Worker Occupational Safety and Health Training and Education Program (WOSHTEP). WOSHTEP is administered by the California Commission on Health and Safety and Workers' Compensation in the Department of Industrial Relations through interagency agreements with the Labor Occupational Health Program at UC Berkeley, the Western Center for Agricultural Health and Safety at UC Davis, and the Labor Occupational Safety and Health Program at UCLA. The YWLA is also supported by the California Partnership for Young Worker Health and Safety.
