

DLSE GARMENT PSA – English

If you are engaged in the business of garment manufacturing, you must register with the State Labor Commissioner.

This applies to any individual, partnership, contractor, or subcontractor, who engages in any part of manufacturing articles of wearing apparel, including accessories. Also, state law prohibits manufacturing from your home.

If caught manufacturing without registration you may incur substantial fines and civil penalties and your garments may be taken from you.

For more information call the State of California's garment hotline at 415 703-4848.
